EXPERIENCE

VML
NEW YORK, NY
8/20 TO PRESENT

CHIEF CREATIVE OFFICER + HEAD OF INNOVATION NORTH AMERICAS

- Set creative vision and executive leadership across major North American and global relationships, including Coca-Cola, Microsoft, Advil, Covered California, Progressive, and Pfizer.
- Led North American innovation and health creative capabilities, connecting brand strategy, experience design, culture, and emerging technology to unlock growth and differentiation.
- Served as Global Coca-Cola CX Lead, building connected customer experiences across markets and disciplines.
- Built and led a multidisciplinary organization of 30+ creatives across New York, Atlanta, and San Francisco, creating the conditions for ambitious work and strong cross-office collaboration.
- Directed the full creative development and production lifecycle while partnering with senior clients, strategy, media, production, and technology leaders on integrated business solutions.
- Advanced strategic technology partnerships and new business initiatives; helped create culturally resonant, award-winning work, including Advil's Believe My Pain.

TBWA\WORLDHEALTH
NEW YORK, NY
2/19 TO 8/20

SVP, GROUP CREATIVE DIRECTOR, DIGITAL EXPERIENCE + INNOVATION

- Led experience design and innovation across North America, shaping the agency's CX vision for healthcare brands and new business opportunities.
- Built specialized, cross-functional teams spanning creative, UX, UI, experience strategy, and technology for campaigns and competitive pitches.
- Oversaw creative development and production for HCP and patient experiences, translating complex healthcare challenges into intuitive, human-centered solutions.

VERVE
NEW YORK, NY
7/15 TO 4/18

SVP, GROUP CREATIVE DIRECTOR, DIGITAL EXPERIENCE + INNOVATION

- Led design, engineering, and innovation teams responsible for developing new creative products and experiences from concept through beta, launch, and go-to-market.
- Partnered with sales and publisher leadership on strategic pitches, key accounts, global production, and third-party technology integrations.
- Served as one of three market-facing executive speakers, representing the company's creative and innovation vision at industry events worldwide.

POINTROLL (GANNETT)
NEW YORK, NY
6/13 TO 5/15

SVP, GROUP CREATIVE DIRECTOR, DIGITAL EXPERIENCE + INNOVATION

- Owned mobile and display product strategy, leading product management and multidisciplinary innovation teams across agency and publisher solutions.
- Founded PointRoll Science, a biometric usability lab that transformed behavioral insight into differentiated, white-label products and client solutions.
- Led product marketing strategy, premium account initiatives, and external technology partnerships from evaluation through integration.

MYSAPCE
NEW YORK, NY
2/10 TO 10/12

VP, PRODUCT DEVELOPMENT, AD LABS

- Influenced \$40M in revenue across 2010-2011 by developing innovative web and mobile advertising products and leading integrated opportunities valued at \$1M+.
- Led innovation product development, technical ad operations, hyper-targeting, and biometric research teams.
- Created patented advertising products that combined technology, storytelling, and user experience to establish new commercial offerings.
